ARE YOU GREEN?

In partnership with the other Furzedown Churches we at St. James are keen to be more environmentally friendly in the way we operate. To help us fulfil this ambition we are looking for one or two people in each church who have a heart for the environment to assist us, initially by undertaking an audit using a tool called 'Ecochurch'. Rob would love to hear from you if you think you could help.

HEARING INDUCTION LOOP

Please set your hearing device to 'T'. The strongest signal is around the walls of the church. Please avoid the sound desk.
