ANNUAL MEETING

UPDATE ON REV ROB POWELL

The good news is Rob continues to make slow but steady progress at home after his stay in hospital. His infected leg is on the mend but needs more time to heal fully. So, the not so good news is he has been signed off work until the end of May. He is so grateful to our wonderful church family for all the love, prayers, cards, meals, and support. Claire is now out of covid isolation, which means she and Beth are back in action. Hooray!
